

siona

Frequently asked questions

Q. How high are the Siona enclosures and walk-in panels?

A. They are 2000mm high

Q. What is the glass thickness?

A. 8mm

Q. What colour finishes are available in this range?

A. Chrome and Matt black
(both chrome and matt black are the same price).

Q. What door types are included in the range?

A. Pivot, sliding and wet rooms. Quads will be available in the future.

Q. How long is the stabilising bar?

A. 1000mm.

Q. Does the wetroom panel have a seal affixed to the bottom?

A. Yes.

Q. What door/ wet room panel sizes are available?

A.

Pivot: 800, 900, 1000 and 1200mm

Sliding: 1200, 1400 and 1500mm

Wet room: 700, 760, 800, 900, 1000, 1100, 1200 and 1400 (all Siona wet room panels are undersized by 45mm to allow for the post and wall surface).

Q. Are there any deflector panels included in the range?

A. Yes, two types: foldaway (0°-180°) and hinged (90°-270°) both measuring 420mm

Q. Are the doors and deflector panels handed?

A. No, they can be installed as either left or right handed, please refer to the installation instructions for full details.

Q. Do I need to order specific packs for a recess or corner installation?

A. We have specific pivot packs for corner or recess installations, the sliding doors can be used for either corner or recess installations.

Q. Can we create 3 sided enclosures with any of this range?

A. Yes, Siona straight sliding can be used to create a 3 sided enclosure.

Q. Is there an extension profile in the range?

A. No

Q. Do I need to order the wetroom components separately?

A. We have generated selling codes which will allocate the glass panel, wall post and fixing kit (including 't' piece) you will however need to order corner to corner seals, deflectors and glass to ceiling stabilising packs as required.

Q. What adjustment range do Siona enclosures, side panels and wet room panels have?

A.

Pivot: 40mm adjustment recess, 20mm corner

Sliding: 40mm in both corner and recess

Side panels: 20mm

Q. Is Siona covered by the Kudos Lifetime Guarantee?

A. Yes.

Q. Is Siona Made In Britain?

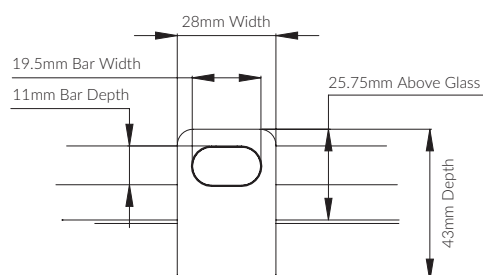

A. Yes.

Q. Can Siona be used to create Bespoke solutions?

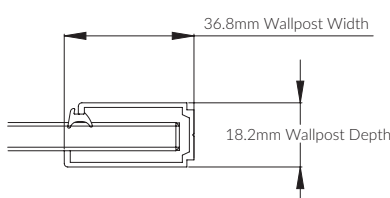

A. Yes.
